# Yale-New Haven Hospital Postpartum and Well Baby Unit

On Yale-New Haven Hospital's 38-bed Postpartum Unit, you will join a team of world-class health care professionals dedicated to offering expert, family-centered care to a diverse, multicultural patient population.

Our RNs provide Primary Nursing care to new mothers and their babies, while also participating in educational classes designed to help families address various postpartum issues.

Here, you will be encouraged to take part in many of Yale-New Haven Hospital's Unit-Based and Hospital-wide committees, including Service Excellence, Quality and Patient Safety Education Committees. You will also enjoy a workplace committed to your ongoing education and professional growth, from initial preceptor-based orientations to our Clinical Ladder and RCAP Recognition and Career Advancement Program.

To learn more about the challenges and rewards of nursing on our dynamic Postpartum Unit, please contact: Deirdre Brannin, RN, MSN, MHA, Patient Services Manager, at (203) 688-1227.
