Yale-New Haven Hospital Adult General/Surgery/Urology Bariatric Surgery Unit

The 26-bed Adult General Surgery/Urology/Bariatric Surgery Unit (6-7) at Yale-New Haven Hospital is home to a seasoned, highly regarded team of nursing professionals, most of whom have been with us for more than 5 years.

Nursing on 6-7 will provide you with the opportunity to develop an extensive clinical expertise in the management of acute surgical patients. Our dedicated preceptors and Unit-Based Educator will facilitate your learning through a comprehensive, competency-based orientation while simultaneously fostering a sense of belonging to this unit. We’re searching for individuals who are committed to the profession, who are very self-motivated to learn, who appreciate a challenge, and who – most importantly – want to make a difference in the lives of patients and their families.

As an expression of our commitment to your ongoing professional development, our staff actively participate in the Hospital’s dynamic Recognition and Clinical Advancement Program (RCAP), and we are home to many CN IIs and CN IIIs.

Programs, Committees & Development Opportunities:

- Recognition and Clinical Advancement Program
- Striving for Excellence
 - Cluster-Based Committees
 - Unit-Based Committees
- Unit-Based Resource Nurses – Pain, Skin, Ostomy
- Support Group for new RNs facilitated by Unit-Based Educator to assist with your transition into practice
- Residency Program for new RNs
- Preceptor Workshop
- Preceptor- and competency-based orientations
- Annual Nursing Competencies
- Leadership Development Program for the Role of Charge

For more information about nursing careers on YNHH’s General Surgery/Urology/Bariatric Surgery Unit, please contact Nancy Hoey, RN, Patient Service Manager, at (203) 688-2184. We would be happy to arrange a date when you could spend some time on the unit and discover firsthand the challenges and opportunities that shape this dynamic nursing environment.
